

Name: _____ Due Date: _____

Forensics Careers Project

This is a three part assignment: Research, Project Assembly, Presentation. Answer the following questions in class so you can complete your project as HOMEWORK. You will present on the day it is due.

What is the name of the career you are researching _____

What other names does a person with the career go by?

Give a 3 to 5 sentence explanation of the job:

What level of education is required _____

How does one obtain the job (are they elected or hired?) _____

What is the average pay for this job _____

What are 2 common challenges of this job?

Why would someone be interested in the job?

Once you have this information, you may begin your project on the provided paper. Your poster should be easy to read, bright and colorful, and neatly arranged. Do not put full sentences on your project- display the main points. If you need a notecard for the presentation, prepare this also.
